END STRIPPER ADAPTER (PKGD)

GTSD-1930 Drill Driven Saber Stripping Tool

Cat No: 52072222

UPC No: 783310040217

Description

- "1/4" quick connect - will engage to a variety of battery drills, Hex design allows for use with keyless chuck
- Bushing Compatibility - 70 different sizes of cable bushings available
- Spring loaded retention pin – Quick attachment method of cable specific bushings, no additional tools needed for bushing attachment
- Safety factor – Replaces the need to use blades when stripping cable. Blade lacerations comprise approximately 40% of all recordable injuries on the jobsite.
